**Director's Final Findings
and Orders**

I. JURISDICTION

These Director's Final Findings and Orders ("Orders") are issued to Robert Wagner ("Respondent") pursuant to the authority vested in the Director of the Ohio Environmental Protection Agency ("Ohio EPA") under Ohio Revised Code ("ORC") §§ 3704.03 and 3745.01.

II. PARTIES BOUND

These Orders shall apply to and be binding upon Respondent and heirs and successors in interest liable under Ohio law.

III. DEFINITIONS

Unless otherwise stated, all terms used in these Orders shall have the same meaning as defined in ORC Chapter 3704 and the rules promulgated thereunder.

IV. FINDINGS

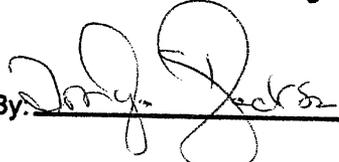

The Director of Ohio EPA has determined the following findings:

1. Respondent owns the property located at 4395 State Route 110 in Napoleon, Henry County, Ohio. The property is located in an "unrestricted area" as defined in Ohio Administrative Code ("OAC") Rule 3745-19-01(K).

2. OAC Rule 3745-19-04(A) prohibits any property owner or person from causing or allowing "open burning," as defined in OAC Rule 3745-19-01(H), in an unrestricted area except as otherwise provided in OAC Rule 3745-19-04(B) to (D) and ORC § 3704.11. The provisions of OAC Rule 3745-19-04(B) to (D) and ORC § 3704.11 do not provide for the open burning of commercial waste for disposal in an unrestricted area.

3. ORC § 3704.05(G) states, in part, that no person shall violate any order, rule, or determination of the Director issued, adopted, or made under ORC Chapter 3704. OAC Chapter 3745-19 was adopted by the Director pursuant to OAC Chapter 3704.

**I certify this to be a true and accurate copy of the
official documents as filed in the records of the Ohio
Environmental Protection Agency.**

4. On November 16, 2007, the Damascus Township Fire Department ("Fire Department") responded to an outdoor fire at Respondent's property located at 4395 State Route 110. Upon arrival on site, the Fire Department discovered a large fire that was caused by the illegal open burning of nonresidential waste. Specifically, scrap materials and trash from the stripping of house trailers were being burned at the property. The fire spread to a surrounding area completely burning three house trailers, a grain hauling wagon and cement mixer.

5. On November 19, 2007, the Fire Department notified Ohio EPA of the illegal open burning activity and Ohio EPA conducted a complaint investigation on November 21, 2007. During the complaint investigation, Ohio EPA witnessed the remnants of the burn pile still smoldering/smoking and determined that Respondent had unlawfully open burned nonresidential wastes in an unrestricted area.

6. The open burning of such waste material is prohibited by rule, and the open burning was not otherwise exempted from the prohibition of OAC rule 3745-19-04(A).

7. Based on the above Findings, the Director of Ohio EPA finds that, on or about November 16, 2007, Respondent violated the following ORC law and OAC rule:

- ORC § 3704.05(G), for violating a rule the Director adopted under ORC Chapter 3704; and
- OAC Rule 3745-19-04(A), which prohibits the open burning of such waste materials.

8. On November 26, 2007, Ohio EPA sent a Notice of Violation letter to Respondent for the open burning violations identified above.

9. OAC Rule 3745-19-06(A) states that the Director of Ohio EPA may assess a violator not more than one thousand dollars (\$1,000) per day for each separate violation of the rules in this Chapter for open burning on commercial property. The violation that occurred on November 16, 2007 is being assessed this penalty.

10. Should Respondent fail to comply with these Orders, the Director of Ohio EPA may refer this matter to the Ohio Attorney General's Office where, under the authority of ORC § 3704.06, the Director may request that the Attorney General pursue litigation and seek civil penalties of up to \$25,000 per day of violation.

11. The Director has given consideration to, and based his determination on, evidence relating to the technical feasibility and economic reasonableness of complying with the following Orders and their relation to benefits to the people of the State be derived from such compliance.

V. ORDERS

The Director hereby issues the following Orders:

1. Upon the effective date of these Orders, Respondent shall achieve compliance with the requirements of OAC Chapter 3745-19 and shall maintain compliance thereafter.

2. Within thirty (30) days after the effective date of these Orders, Respondent shall pay Ohio EPA the amount of one thousand dollars (\$1,000) to Ohio EPA in administrative penalties pursuant to OAC Rule 3745-19-06. Payment shall be made by an official check made payable to "Treasurer, State of Ohio" for \$1,000. The official check shall be submitted to Brenda Case, or her successor, with a letter identifying the Respondent, to:

VI. TERMINATION

Respondent's obligations under these Orders shall terminate upon Ohio EPA's receipt of the official check required by Section V of these Orders.

VII. OTHER APPLICABLE LAWS

All actions required to be taken pursuant to these Orders shall be undertaken in accordance with the requirements of all applicable local, state and federal laws and regulations. These Orders do not waive or compromise the applicability and enforcement of any other statutes or regulations applicable to Respondent.

VIII. RESERVATION OF RIGHTS

Nothing contained herein shall be construed to prevent Ohio EPA from seeking legal or equitable relief to enforce the terms of these Orders or from taking other administrative,

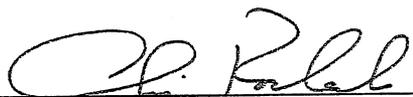

legal or equitable action as deemed appropriate and necessary, including seeking penalties against Respondent for noncompliance with these Orders and/or for the violations described herein. Nothing contained herein shall be construed to prevent Ohio EPA from exercising its lawful authority to require Respondent to perform additional activities pursuant to ORC Chapter 3704 or any other applicable law in the future. Nothing herein shall restrict the right of Respondent to raise any administrative, legal or equitable claim or defense with respect to such further actions which Ohio EPA may seek to require of Respondent. Nothing in these Orders shall be construed to limit the authority of Ohio EPA to seek relief for violations not addressed in these Orders.
