

3745-66-74

Inspections.

The owner or operator must inspect areas where containers are stored, at least ~~weekly~~ once during the period from Sunday to Saturday, looking for leaks and for deterioration caused by corrosion or other factors. The owner or operator must record inspections in an inspection log or summary.

[Comment: See rule 3745-66-71 of the Administrative Code for remedial action required if deterioration or leaks are detected.]
